

Mechelle, Lori, and  
Staff of the  
Gardens,

There truly are  
no words to say  
thank you for the  
dedicated care you  
gave mom for  
almost two years.  
You loved her as  
if she was yours,  
even when she  
was difficult.

We truly miss

you all, but please  
know that during  
one of the saddest  
periods of our  
lives, you made  
it easier.

Many blessings,

Michelle
