Keep in Touch

Caring about
how you're doing,
and thinking
of you often.

Here I go again with not
enough words ever to say
"Thank you" a million times!
Thanks for all you've all did
for Ben and also for me.
I feel like I belonged to all
of you. You will always
be a very special part of
my heart!
I'm sorry you could not
get all the praise from at his
funeral. What a tribute to him!
He had so many friends here.

He would have been so
proud! I think it was the
most beautiful funeral ever!
Held in our church and it
was filled with so many
people we loved (except for her
of you!)
You all just helped him
lie down to peaceful dreams
and that was such peace to
me! When Deborah called I just
thought "she is such a good now".

Cathy, Kay, James, Katie, Kyle,
B. G. Arian, Paolo, Jimmie, John
Chris, ^{Big} Sylvia Remon, Debbie,
Joan, Lawrence and one and
one - I'm sure I have left
out some - Oh! Jack, Courtney &
Jeff. Please let them all
know I love them all even if
I can't remember all the
names. What wonderful Cre-givers
you all are!!!

T O D A Y
AND
*Always*TM
by AMERICAN GREETINGS

I shall remember you
all always and I pray
if I ever need a place,
you will be here for
me as well!

Peace and love,
Ann Noid
