

Dear Jenny & Precious,  
Just a note to thank  
you again for your love  
and care of Medlock Gardens  
and its residents! As I  
told you yesterday, the  
facility is filled with  
love and warmth. How  
blessed Diane is to be  
there — she is content, happy  
and beautifully cared for.  
She called me this morning  
and told me that Jenny

had fixed her phone  
with a new battery.  
thank you so much!

You two are in  
my prayers as you  
care for us older  
folks - it is a diff-  
cult job, but I see  
how our Lord is  
filling you with His  
wisdom, strength and  
patience.

Blessings to you both  
as we enjoy Spring  
to come soon -

Love,  
Amelia Gordon
